

Please come and join with us! You can meet the Lord Jesus and hear His Word on Sundays beginning at 10:30 a.m. At the same time, you can enjoy our unrivaled musicians. Kenny Stahl, a world-famous professional flute player, plays flute (everything from the piccolo to the bass flute) as well as organ and sometimes our baby-grand piano in our worship service. Irene Jossan, trained in classical piano in Russia, is our regular pianist. They not only accompany our congregational singing, but they also play special music at the beginning, in the middle, and at the end of our service.
